

Student Success Initiative

Credit Accumulation Initiative Status Report, June-July 2016

Achievements in this period

Students received information about the Finish in Four campaign in their Orientation packets. Over Summer, there were no other activities to report.

Open Issues:

As stated above, a marketing timeline and administrative home for the project need to be confirmed.

Goals for next period:

After the 10-day census, data will be evaluated to determine if there are a greater number of students who are attempting at least fifteen credit hours. The committee will meet to determine next steps. An administrative home for the FiF campaign will need to be established.

Progress Indicator:

Team Lead: Tom Moss

Team Members: Eileen Doran, Lillye Hart, Elsa Soto, Philip Vasquez, Joey Volpe

Key Decisions

There are no key decisions to report at this time.
