

Student Success Initiative

Developmental Math Reform Status Report, August-November 2016

Achievements in this period

Jenny evaluated the first Math 090 exam by comparing 088 student's grades to those not taking 088. Those results were sent to instructors for 090 and 088.

Charlotte created a survey for Math 088 students, and it was emailed out.

Jenny created a survey for Math 090 and 088 instructors.

Charlotte and Jenny met to discuss how data would be gathered and analyzed for Math 088, 090, and 110.

Math 077 was approved as a corequisite for Math 118.

Open Issues:

Adjusting the courses based on feedback from this semester.

Key Decisions

What data to gather and how.

Goals for next period:

Gather and analyze the results of the semester through grades and surveys. Report our findings, and plan adjustments as necessary.

Progress Indicator:

Team Lead: Jenny Ross

Team Members: Martina Bode, Dave Marker, Brooke Shipley
